Notwithstanding all bidders are requested to extend the amount of their bids for each article, and exhibit the total amount of each bid.

The periods and quantities of each delivery at these points where they are not specified, will be on or about the 1st of June, 1st of September, 1st of December, 1850, and 1st of March, 1851.

The bogs of which the pork is packed to be fat on corn, and each hog to weigh not less than two hundred pounds, including the feet, legs, ears, and snout. Side pieces may be substituted for the hams. The pork is to be first salted with Turk's Island salt, and then carefully packed with the same article, in pieces not exceeding eight pounds each.

When the packing has been completed, the contractor must furnish to this office a certificate from the packer that the pork has been so salted and packed. The pork is to be contained in seasoned heart of white oak barrels, full hooped; the heads and salt in barrels, and the soap and candles in strong boxes, of convenient size for transportation.

Salt will only be received by measurement of three dry quarts to the bushel. The candles to be of pure tallow. The provisions for St. Peter's and Fort Gaines must pass St. Louis for their ultimate destination, in the first week of April, 1850; and the stores for Fort Gaines must just pass by the last of June, 1850. A failure in this particular will be considered a breach of contract, and the Department will be authorized to purchase to supply these posts. The provisions will be inspected at the time and place of delivery, and all expenses to be paid by contractors until they are deposited at such store-houses as may be designated by the agents of the Department. The Commissary General reserves the privilege of increasing or diminishing the quantities, or of dispensing with any or all articles required at any time, at any time before entering into contract; and also of increasing or reducing the quantities of each delivery one-third subsequent to contract, on giving sixty days' previous notice.

Bidders, not heretofore contractors, are required to accompany their proposals with evidence of their ability, together with the names of their sureties, who shall be responsible for the performance of the contract, or by some person well known to the Government; otherwise their proposals will not be acted on.

Contracts cannot be made in any case, and evidence of inspection and full delivery will be required at this office before requisition will be made upon the Treasury for payment. The Commissary General will deliver money as may be convenient to the points of delivery, the places of purchase, or the residence of the contractors, at the option of the Treasury Department.

No drafts on this office will be accepted or paid under any circumstances.

Each proposal will be sealed in a separate envelope, and marked "Proposals for furnishing army subsistence."
